GOLDENWEST AMONG UTAH'S FASTEST GROWING COMPANIES

Goldenwest was recently honored as one of *Utah Business* "Fast 50 for 2020". Each year the publication names Utah's 50 fastest growing companies based on revenue data that is analyzed for year-over-year growth for the past five years.

"Our team's extraordinary efforts to fulfill the strategic growth plans set forth by the Board of Directors and Administration has resulted quick-paced, well-managed growth," stated Kerry H. Wahlen, Goldenwest President/CEO.

Among the Credit Union's most innovative projects spurring rapid growth in recent years is the organization's insurance services division.

"In launching Goldenwest Insurance Services, our goal was to provide affordable insurance options to members," continued Wahlen. "We researched the local market, and determined two things we wanted to do differently: 1) offer true insurance savings with deeper discounts available through multiple A.M. Best A-rated carriers; and, 2) add licensed Goldenwest insurance agents to every Credit Union branch for personalized, local service.

As anticipated, Goldenwest members have placed tremendous value on having their financial services and insurance all in one place...especially when they are saving up to 35% on premiums and getting better coverage on their homes and vehicles. The Goldenwest Insurance Services program is successfully on course, with hundreds of new policies added every month.

Wahlen credits Goldenwest's success to an intentionally cultivated work-culture that centers on collaboration and innovation.

"Last year when we were finalizing our 2020 strategic plan, it didn't include processing and funding 1,050 SBA Paycheck Protection Program (PPP) Loans for close to \$100 million in less than two months," commented Wahlen. "And yet, that's exactly what we did in April and May. It was a remarkable feat by our team."

This year's honor marks the second time Goldenwest Credit Union has made the list, ranking 44th in 2020 and 48th in 2018.

Medicare Annual Enrollment Period (AEP) is right around the corner! Every year Medicare enrollees have the opportunity to change their coverage plans during AEP, which runs from October 15th to December 7th. This is an important time for Medicare participants to make sure they have the proper coverage and benefits for the upcoming year.

To help our members better understand their Medicare options, Goldenwest Insurance Services will be holding virtual Medicare seminars and in-branch Q&A events from Logan to St. George. Members can also schedule an appointment with one of our Medicare Experts to review Medicare needs and enroll in a new plan. Throughout AEP, we will have Medicare Agents in our branch lobbies to answer any questions.
